They are getting altogether too free with firearms up in Franklin county.

When the interest on your United States bonds begins to come in you will wish that you had taken more of such gilt-edged securities.

The increasing number of German airplanes shot down by the French is one of the best signs of the war. Thus Germany's eyesight is being greatly damaged.

THE LIBERTY LOAN DRIVE QUICKENS

Optimism in Washington over the ultimate success of the Liberty loan drive does not mean that there can be any relaxation on the part of the people of the United States, for that optimism is based solely on the expanding interest which is being taken in the vast undertaking. Unless you take hold and do your part, that optimism is not well founded and is likely to plunge the whole nation into a fit of depression on Oct. 27, the last day of the four weeks' campaign. A large section of the people and organizations is rallying splendidly to the support of the government, but a far greater extension of interest must be built up if the loan is to be the success which it was hoped for at the outset. Don't think that because someone else is subscribing it is not incumbent upon you to subscribe; if someone else subscribed it is all the more necessary that you subscribe so that you will not be outmatched in patriotism. So let's make this last week of the great drive a rousing movement, so tremendous as to give the Kaiser fair warning of the readiness of the American billions to defeat his nefarious purposes.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She Made Up a Mixture of Sage Tea and Sulphur to Bring Back Color, Gloss and Youthfulness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the sage tea and sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients. While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, do one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant. This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease. —Adv.

WATERBURY

Last Block Co. Buys Between 4,000 and 5,000 Acres of Land.

A turning of between 4,000 and 5,000 acres of land from the property of Hon. George W. Randall to the Waterbury Last Block company is one of the largest real estate deals in this section for some time. The Last Block company, which is doing a thriving business, J. B. Eldredge, president and manager, will soon build another mill, probably nearer the timber than the one here at the village. There are large quantities of spruce on the lots, as well as several million feet of hard wood. Much of this property has been owned by Mr. Randall for over 50 years, a large part for 40 years, and none of it less than 20. Through Mr. Eldredge, the large Carver farm was recently bought by the company and plans for increased business are very pleasing to the community.

Mrs. Nancy Linnell, who was called here by the death of her sister, Mrs. Ellen Baird, has returned to her home in Lowell, Mass. Mrs. Etta Ramsdell, who has been at the Baird home, has returned to Barre.

Rev. Robert Devoy was in Montpelier Wednesday, where he officiated at the funeral of Benjamin Bean. He was taken ill at the home of R. J. Wilder and removed to the home of his daughter in Montpelier, where he died. Mr. Bean formerly lived in this town near the tannery. He was born in St. Ruel, Quebec, March 16, 1836, residing for over 50 years in Fayston and this town. Mr. and Mrs. J. R. Dillon also attended the funeral.

Mr. and Mrs. W. E. Tracey and Mr. and Mrs. Dayton Smalley of Johnson were recent guests of Mr. and Mrs. Julius Whitney.

The U. S. civil service commission will hold a competitive examination at Waterbury on Oct. 27, for the position of clerk in the postoffice here. Applicants must have reached their 18th birthday, but not their 45th birthday, on the date of the examination, and must be citizens of the United States. Male applicants must measure not less than five feet, four inches in height in bare feet and weigh at least 125 pounds. Each applicant will be required to submit on the day of the examination a photograph of himself taken within two years. For information and the required application blank, address L. H. Sheldon, local secretary.

FEW CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save Your Hair! Make It Thick, Wavy and Beautiful—Try This!

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its fiber, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine to-night—now—any time—will surely save your hair. Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, luster and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.—Adv.

LEMONS BRING OUT THE HIDDEN BEAUTY

Make this lotion for very little cost and just see for yourself.

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white in this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well, and you have a whole quarter pint of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands, it should help to bleach, clear, smoothen and beautify the skin. Any druggist will supply three ounces of orchard white at very little cost, and the grocer has the lemons.—Adv.

Then the negative votes of Aldermen Reynolds and Rossi were registered. Alderman Alexander voted a stentorian yes and with the score 4 to 2 in favor of the traction company, Mayor Glysson said "couldn't recommend such a proposition to the voters and cast his vote on the side of the old franchise, along with the members from the fourth and fifth wards. Adjournment followed immediately. During the evening a warrant for \$279.31, in favor of the N. D. A \$50 Liberty Bond Is Better Than a \$50 Bill

The Bond Bears 4% Interest—the Bill Does Not.

The bond will bear a higher rate if other war bonds are issued at a higher rate—the bill will not.

The bond will go to a premium after the war, unless all the examples in our history count for nothing—the bill will not.

Patriotism—absolute safety—a good interest rate—easy marketability—prospects of an increase in value—these are the features of the United States Government Liberty Loan Bonds that call irresistibly for you to invest in them.
